## **My Y Story from the Flurey family**

**Our son Archer just graduated from the preschool program at the Meriden YMCA Martin Gaffey Child Care Center.**

**This program has been life-changing for him and for us. It changed the trajectory of his life going forward. About one month into the program they noticed he had a speech delay. The director Miss Mary-Jo and his teacher Miss Rosie got him the speech therapy and resources he needed. His speech improved 100%. Mary-Jo is amazing. My son will not leave the building without saying goodbye to her.**

**I love the teachers. It's like a family at Crown Street. Archer will be sad to leave his friends at Crown Street but I'm not worried about him making friends in kindergarten. They have helped him so much to prepare for kindergarten.**

**We are planning to bring our younger son to this program. I would recommend this program to other families.**
